Portfolio   4126968959   mmid021120@gmail.com

EDUCATION

Carnegie Mellon University, School of Design
Pittsburgh, PA | 3.56/4.00 GPA
Bachelor of Design in Product Design, additional minor in HCI
Graduate Year: 2027

EXPERIENCE

Interactive Structures Lab Research Assistant
Pittsburgh,Pennsylvania | September 2024 - Present

Worked as a team, and collaborated closely with electrical engineers to integrate hardware components into our designs, contributing to the ideation process, and refining concepts.

ScottyLabs UI Designer
Pittsburgh,Pennsylvania| January 2024- Present

Collaborate with software engineers, designers, and ScottyLabs executives to produce a renovated user-friendly restaurant searching platform.

Bookcover Designer
Remote | August 2019 - October 2019

Designed to de-stress individuals during the pandemic, "A Breath of Gratitude" was honorably selected from the Ontario student submissions.

Bilibili Video Maker
Remote| October 2019-Present

Founded and operated my channel solely based on viewer research, promoted it on social media platforms, and gained 20K followers and 200K views.
